# INTRODUCTION

We offer a comprehensive selection of online UG diploma programs to develop discipline-specific skills and knowledge. Our two-semester diploma modules provide academic and professional courses across four major streams categorized as commerce, business & management, computer science & information technology, arts - humanities & social sciences, and science & applied sciences. Our expert-curated undergraduate diploma courses are a blend of modern business, social sciences, and technology to strengthen their competencies in selected domains and choose their career pathways.

## MISSION

- To empower students with quality, technology-enabled education with reference to diverse discipline-specific knowledge and practical skills.
- To motivate them with in-demand skills, fostering professional growth with lifelong learning.

## OBJECTIVES

- To encourage students to gain subject-specific knowledge and develop key competencies across diverse programs.
- To sharpen critical thinking, decision-making, strategic approaches, and other relevant skills to discover their career pathways.
